AND
LODI POLICE DISPATCHERS ASSOCIATION
JULY 1, 2025 – JUNE 30, 2028**

This Memorandum of Understanding (MOU) is entered into on December ____, 2025, by and between the City of Lodi, a municipal corporation (“City”), and the Lodi Police Dispatchers Association (“LPDA”).

CHAPTER 1 – COMPENSATION & WORKING CONDITIONS

ARTICLE I - SALARY

1.1 The Salary Schedule for employees represented by the LPDA will be as set forth in Exhibit A.

- Effective the pay period beginning December 22, 2025, the City shall provide an equity adjustment of 3%.
- Effective retroactive to July 1, 2025, the City shall provide an Equity Adjustment of 5.82%. (Retro pay via separate check as soon as administratively feasible.)

1.2 Although the City is not required to perform a survey during the term of this MOU, the parties agree that if a salary survey is performed, the fifteen (15) cities to be surveyed shall be: Chico, Clovis, Davis, Fairfield, Merced, Manteca, Modesto, Redding, Roseville, Stockton, Tracy, Turlock, Vacaville, Visalia and Woodland.

In the event a salary survey is conducted during the term of this MOU, the lead dispatcher position will be used as the benchmark for the survey, provided that any city that does not have lead position shall use the dispatcher position and any training incentives received as part of the base. The survey shall be based upon total compensation for PEPRAs employees including salary and limited to employer’s health insurance premium, deferred compensation, and any comparable incentives.

ARTICLE II - HOURS AND OVERTIME

2.1 Work schedules presently in effect shall remain in effect; however, the City reserves the right to change the hours of work after consultation with the employees involved. Temporary changes in this schedule must have at least 24 hours’ notice.

2.2 Dispatcher/Jailer Work Schedule: Dispatcher/Jailer positions assigned to the Communication Center shall work a twelve (12) hour schedule with a one (1) hour paid lunch and two (2) 15- minute breaks. Alternative work schedules for Dispatcher/Jailer

positions assigned outside of the Communications Center may be developed by mutual agreement between an employee (s) and the appropriate supervisor.

- 2.3 Property Unit Work Schedule: Employees assigned to the Property Unit shall work a 4/10 schedule. The personnel participating will have consecutive days off scheduled depending on the needs of the assignment.
- a) Employees participating in this schedule will officially begin their work week at noon Friday to avoid FLSA conflicts and/or overtime.
 - b) In the event of unexpected staff shortages, this alternative work schedule can be terminated with 72 hours' notice.
- 2.4 Overtime - Overtime work is work performed by an employee outside their regular hours and includes time worked:
- a) In excess of forty (40) hours in a work week for members working a 4/10 schedule. This provision may be nullified if a shift trade is involved.
 - b) In excess of eight (8) hours in any work day for those on an eight (8) hour shift, in excess of ten (10) hours in any work day for those on a ten (10) hour shift, and in excess of twelve (12) hours per day for those on a twelve (12) hour shift.
 - c) Time worked outside of regular hours of work on a work day unless notification has been made in accordance with this MOU.
 - d) Time worked on a non-work day unless involved in a shift trade.
- 2.5 Minimum Overtime for Non-Workdays: Employees who are required to report for prearranged work on their non-work days shall be compensated at the overtime rate for actual hours worked, but in no event shall they be paid for less than three (3) hours.
- 2.6 Minimum Overtime for Emergency Call Out: Compensation paid to employees called out in emergency situations, outside their regular work hours, shall be a minimum of three (3) hours' pay at the overtime rate.
- 2.7 Overtime Contiguous with Regular Shift: When, at the request of the supervisor in charge, an employee reports for prearranged overtime on work days outside of their regular work hours, the employee shall be paid overtime compensation for actual worked time in connection therewith, provided however, that if any such employee continues to work into their regular work hours, the employee shall be paid overtime compensation only for actual work time up to their regular work hours.
- 2.8 Rest Period Between Shifts - The intent of the rest period is to ensure that employees represented by the bargaining unit are adequately rested for their assigned work shift. In the event a supervisor or Watch Commander deems it necessary for an employee to work through their rest period, the employee will continue being paid at the overtime rate.

- a) Employees will receive a continuous eight (8) hour rest period immediately preceding or immediately following their scheduled court appearance or other departmental assignment(s), if less than eight (8) hours has elapsed during:
 - 1) the time period that employee's regular work shift ends and their scheduled appearance/assignment time; or
 - 2) the time period that employee is dismissed and their regular work shift begins.

This rest period will not be charged to the employee's accrued leave balance.

- b) If an employee requests and receives approval to take the remaining portion of their scheduled shift off following the end of the rest period, the employee's leave balances will be charged for the entire shift (as if no rest period has occurred).
- c) The rest period does not apply when an employee is scheduled for court or appearance/assignment the day immediately following a day off.

2.9 Compensatory Time - Employees may accrue compensatory time (CTO) in lieu of overtime pay. The accrual rate for compensatory time shall be one and one-half (1 ½) hours for each hour of overtime worked.

- a) No more than 144 hours of CTO may be carried on the books at any time. Employees with banks exceeding 144 hours shall retain those excess hours but shall not be eligible to accrue additional CTO hours until their CTO banks fall below the 144-hour maximum provided for in this MOU.
- b) An employee's decision to elect to earn CTO instead of overtime is irrevocable.
- c) Employees may cash out their CTO twice a year during the months of April and October.
- d) Upon separation, the employee will be paid at the employee's final regular rate of pay or the average regular rate of pay over the last three (3) years, whichever is higher, for the remaining CTO balance.
- e) Employees may submit a written request to the Chief of Police to increase the hours of CTO that may be carried on the books in excess of 144 hours. The request may only be made to address extenuating circumstances and will be evaluated on a case by case basis. The decision to grant or deny said requests is at the sole discretion of the Chief of Police, and shall not be subject to the grievance procedure.

2.10 Communications Center Staffing - When staffing shortages occur in the Communications Center, Dispatcher/Jailers shall be called back to work under the following guidelines. Staffing shortages shall be determined by the number of fully-trained personnel actually on duty in conjunction with the amount and type of work actually needed or logically anticipated on any given watch.

- a) Personnel shall be called for duty by or at the direction of the Watch Commander, Supervisor, or Lead responsible for the hours of duty to be worked. The three (3) hour minimum call back time, as per this MOU, shall apply if an employee is called back and returns to work.

The option to work overtime shall be given to Dispatcher/Jailers assigned in the Communication Center by seniority, unless the employee is working an adjacent shift. If the employee has worked, or will be working, the adjacent shift the employee can work no more than sixteen (16) continuous hours, except in emergency circumstances.

- b) Any Dispatcher working an overtime shift must be able to perform all duties of dispatch and jail procedures, with the exception of a dispatcher on light duty. The purpose of this is to eliminate personnel in a training status or an unqualified person from working overtime shifts.
- c) A current seniority list shall be maintained in the Communication Center with an updated work schedule maintained by the Services Division Supervisor and Patrol Watch Commander(s). Dispatch will be responsible for call in/call backs at the Watch Commander's direction. Failure by dispatch to follow this procedure will not subject the City to unwarranted overtime.
- d) Vacations and Holidays – First vacation pick shall not be canceled unless there is a total departmental call-out. Holidays may be canceled in part or fully; however, during the period of time that the dispatch unit is short-staffed (less than full staffing, or at full staffing for less than sixty (60) consecutive days) during the term of this MOU (including newly hired employees in training) the department will allow overtime for the shortage. If a dispatch shift is not covered by overtime, the holiday will be canceled. If the dispatch division shall reach full staffing levels based on the then current budgeted Full Time Equivalent positions, and remain at full staffing levels for sixty (60) consecutive days, overtime shall no longer be paid to cover a shortage caused by a holiday or vacation that is not a first pick vacation. Should it become necessary to cancel a scheduled holiday, the employee will be given at least forty-eight (48) hours' notice of the cancellation. If such notice is not given, the employee will be paid at a rate of time and one half (1 ½) for the actual hours worked.

An employee who is on a first-pick schedule vacation will not be compelled to come to work on the vacation days or adjacent regular days off unless exigent circumstances exist. Staffing shortages will not be considered exigent circumstances for the purposes of this subsection only. Exigent circumstances would include, but not be limited to, natural disasters, riots, total department call-outs, etc.

- e) Duties - Personnel called back for work shall perform all the regular duties required in a regular work day and shall appear in uniform.

- f) When a dispatcher is ordered back to work on an “as soon as possible” basis and reports within thirty (30) minutes, the dispatcher shall be compensated from the time of the call. This includes, but is not limited to, regular duties, and special assignments.

2.11 Shift Differential Pay

Employees assigned to work the graveyard shift shall receive shift differential pay in the amount of two and one-half percent (2.5%) of their base rate of pay. The graveyard shift is considered hours worked between 8:30 p.m. to 6:30 a.m.

The bilingual premium shall be paid in twenty-six (26) equal bi-weekly installments of ninety-two dollars and thirty-one cents (\$92.31). For California Public Employees’ Retirement System (“CalPERS”) Classic members, the bilingual premium is considered special assignment compensation and shall be reported as pensionable compensation.

If the employee is not on duty the City agrees to compensate that employee at one and one half (1 ½) times their regular rate of pay for the time spent in any appearance as required by this Article. As a prerequisite for payment to off-duty employees, the Police Chief or designee must be notified in writing of the off-duty

Association contested the City's position. As a resolution to this matter, the City and Association agreed that the following employees that were hired into this bargaining group between July 9, 1994 and November 8, 2004 would not be eligible for sick leave conversion to retiree medical insurance. In lieu of this benefit, the City agreed to establish a Retiree Health Savings Account (RHSA) for the affected employees listed below. The City further agreed to allocate a lump sum of \$75,000.00 to be distributed to the listed employees on a pro-rated amount based on their individual sick leave accrual amount as of the pay period ending May 17, 2015. The pro-rated amounts were deposited into the RHSA. Beginning the first full pay period in 2016, the City shall contribute one percent (1%) of the employees' base bi-weekly salary, each pay period, into the RHSA until such time as the employee retires, resigns, or separates employment with the City of Lodi. This agreement applies to the following remaining employees that were hired into this bargaining group between July 9, 1994 and November 8, 2004:

Maria Butterfield
Tenneill Ramirez
Jennifer Root

Jeff Humphrey

The above named employees were required to make an irrevocable choice to either convert their previously earned sick leave as described above, moving the existing balance into a closed bank of hours (Bank A), which shall be available only for use as sick leave by the employee, or to decline the conversion as described above and maintain one bank of hours which may be used for sick leave by the employee and in accordance with Section 21.2

referencing PERS sick leave conversion to service credit provision. Hours in Bank A shall not be eligible for catastrophic leave donations.

Employees who opt into the RHSA shall have future sick leave hours deposited into Sick Leave Bank B. Sick Leave Bank B hours may be used by the employee for sick leave or towards CalPERS service credit upon retirement as described in Section 21.6. Sick Leave Bank B hours may also be donated under the City's catastrophic leave policy. Sick Leave Bank B hours shall be valued at the employee's current regular hourly rate of pay; however, these hours shall have no cash value.

Employees utilizing sick leave hours shall first draw from Bank A hours. If no Bank A hours exist, then Bank B hours shall be used.

The amount paid by the City will, after the period from the date of injury and date of eligibility, be charged to the employee's sick leave account. The employee's regular deductions shall be made from the amount paid by the City.
