Any insurance or self-insurance maintained by the Entity, its officers, officials, employees, or volunteers shall be excess of the Contractor's insurance and shall not contribute with it.
 - (c) Waiver of Subrogation Contractor hereby grants to City of Lodi a waiver of any right to subrogation which any insurer of said Contractor may acquire against the City of Lodi by virtue of the payment of any loss under such insurance. At least thirty (30) days prior to the expiration of each insurance policy, Contractor shall furnish a certificate(s) showing that a new or extended policy has been obtained which meets the minimum requirements of this Agreement. Contractor shall provide proof of continuing insurance on at least an annual basis during the Term. If Contractor's insurance lapses or is discontinued for any reason, Contractor shall immediately notify the City and immediately obtain replacement insurance. (h) Verification of Coverage

Consultant shall furnish the City with a copy of the policy declaration and endorsement page(s), original certificates and amendatory endorsements or copies of the applicable policy language effecting coverage required by this clause. All certificates and endorsements are to be received and approved by the City before work commences. However, failure to obtain the required documents prior to the work beginning shall not waive the Consultant's obligation to provide them. The City reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time. Failure to exercise this right shall not constitute a waiver of the City's right to exercise after the effective date.

(i) Self-Insured Retentions

Self-insured retentions must be declared to and approved by the City. The City may require the Consultant to provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention. The policy language shall provide, or be endorsed to provide, that the self-insured retention may be satisfied by either the named insured or City.

(j) Insurance Limits

The limits of insurance described herein shall not limit the liability of the Contractor and Contractor's officers, employees, agents, representatives or subcontractors. Contractor's obligation to defend, indemnify and hold the City and its officers, officials, employees, agents and volunteers harmless under the provisions of this paragraph is not limited to or restricted by any requirement in the Agreement for Contractor to procure and maintain a policy of insurance.
