Section 1. Chapter 1.10 "Administrative Enforcement Provisions" of the Lodi Municipal Code is hereby amended to read as follows:

Chapter 1.10 - ADMINISTRATIVE ENFORCEMENT PROVISIONS

Article I. - Code Enforcement—Administrative Provisions

1.10.010 Declaration of purpose.

- A. The city council finds that the enforcement of the Lodi Municipal Code and applicable state codes throughout the city is an important public service. Code enforcement is vital to the protection of the public's health, safety, and quality of life. The city council recognizes that enforcement starts with the drafting of precise regulations that can be effectively applied in administrative enforcement hearings and judicial proceedings. After consideration of the recommendations of the community improvement division, the city council further finds that a comprehensive code enforcement system requires a variety of judicial remedies and administrative remedies to enforce violations of this code and applicable state codes. The city council also finds that there is a need to establish uniform procedures for administrative enforcement hearings conducted pursuant to this code. It is the purpose and intent of the city council to afford due process of law to any person who is directly affected by an administrative action. Due process of law includes: adequate notice, an opportunity to participate in the administrative hearing process and an adequate explanation of the reasons justifying the administrative action. These procedures are also intended to establish a forum to efficiently, expeditiously, and fairly resolve issues raised in any administrative enforcement action. The city attorney is authorized to develop policies and procedures relating to the qualifications, appointment, and compensation of hearing officers, hearing officer powers, hearing procedures, scope of the hearing, subpoena powers, and other matters relating to administrative enforcement hearings.

- B. The procedures established in this chapter shall be in addition to criminal, civil, or other legal remedies established by law, which may be pursued to address violations of this code or applicable state codes and the use of this chapter shall be at the sole discretion of the city.

1.10.050 Code enforcement fees—Purpose.

- A. The city council finds there is a need to recover costs incurred by the city in its code enforcement efforts including time spent by city personnel inspecting and reinspecting properties throughout the city, preparing and posting the various notices that are required under this code whenever a property is found to be in violation of a mandatory provision, processing a case file, towing inoperative vehicles, obtaining inspection warrants, and preparing for and appearing at administrative hearings, which procedures all become necessary when a responsible person fails to voluntarily correct code violations on his or her property. These additional code enforcement efforts are not usually undertaken or employed until after a responsible person has failed to respond on a voluntary basis to notices and/or warnings from the city or volunteers.

- B. The city council further finds the assessment of fees for the services listed in subsection A of this section, are an appropriate method to recover costs incurred for the additional work that is undertaken by city staff when a responsible person fails to voluntarily correct code violations on his or her property in a timely manner. The assessment and collection of these code enforcement fees shall not preclude the imposition of, and shall be in addition to, any administrative or judicial civil penalties or fines for violations of this code or applicable state codes.

1.10.060 Assessment of reinspection fees.

Whenever an enforcement officer, community improvement officer and/or designated staff inspects, reinspects, processes a case file, prepares and posts a notice of intent to abate, a notice of violation, notice to vacate, notice and order of demolition, abandoned vehicle abatement notice, seeks and obtains an inspection warrant, prepares for and appears at an administrative hearing, or any other action as may be hereinafter designated by resolution of the city council, for which an action has been initiated to obtain compliance with this code or applicable state code, a director shall assess the appropriate code enforcement fee against the responsible person.

 - 2. Whether the director afforded the responsible person with due process by adhering to the notification procedures specified in this chapter.

Article V. Administrative Penalties

1.10.360 Declaration of purpose.

The city council finds that there is a need for an alternative method of enforcement for enforcing more serious violations of this code, adopted uniform codes, and applicable state codes. The city council further finds that the assessment of civil penalties through an administrative hearing procedure for code violations is a necessary alternative method of code enforcement. The administrative assessment of civil penalties is in addition to any other administrative or judicial remedy established by law, which may be pursued by the city to address serious violations of this code, adopted uniform codes, or applicable state codes.

1.10.370 Authority.

- A. Any person violating any provision of this code, adopted uniform codes, or applicable state code may be subject to the assessment of civil penalties pursuant to the administrative procedures provided in this chapter.

1.10.380 Procedures—Issuance of notice and order.

- A. Whenever the director determines that a violation of one or more provisions of this code, adopted uniform codes, or applicable state codes has occurred or continues to exist, a civil penalty may be issued in conjunction with a notice and order to the responsible person.
- B. The notice and order shall refer to all code sections violated and describe how each section is or has been violated.
- C. The notice and order shall refer to the dates and locations of the violations.

- D. The notice and order shall address the action required to correct the outstanding violations and establish time frames for completion.
- E. The notice and order shall establish a daily amount of civil penalties. The director shall determine the daily amount of civil penalties pursuant to the criteria in set forth in this article.
- F. The notice and order shall identify a date when the civil penalties began to accrue and a date when the assessment of civil penalties ended, unless the violation is continuous. In the case of a continuous violation, there shall be an ongoing assessment of penalties at the daily rate established in the notice and order until the violations are corrected.
- G. If a director determines that the violations are continuing, the notice and order shall demand that the responsible person cease and desist from further action causing the violations, or take affirmative action to cease from maintaining or permitting the violation to exist, and commence and complete all action to correct the outstanding violations under the guidance of the appropriate city departments.
- H. The notice and order shall enumerate any other consequences should the responsible person fail to comply with the terms and deadlines as prescribed in the notice and order.

- L. More than one notice and order may be issued against the same responsible person if it encompasses either different dates or different violations.

1.10.390 Determination of civil penalties.

- A. In determining the date when civil penalties started to accrue, a director may consider the date when the department first discovered the violations as evidenced by the issuance of a notice of violation or any other written correspondence.
- B. The assessment of civil penalties shall end when all action required by the notice and order has been completed.
- C. In determining the amount of the civil penalty to be assessed on a daily rate, the director may consider some or all of the following factors:
 - 1. The duration of the violation;
 - 2. The frequency or recurrence of the violation;
 - 3. The seriousness of the violation;
 - 4. The history of the violation;
 - 5. The responsible person's conduct after issuance of the notice and order;
 - 6. The good faith effort by the responsible person to comply;
 - 7. The economic impact of the penalty on the responsible person;
 - 8. The impact of the violation upon the community;
 - 9. Any other factors that justice may require.
