Effective January 5, 2026, the City shall implement the January 1, 2026 compensation study by providing for equity increases for classifications deemed below market over two years as follows:

- Year 1: Comp Study Equity Increase: Up to 5% or ½ of equity increase, whichever is greater, pursuant to January 1, 2026 comp study, “total compensation”.
- Year 2: Comp Study Equity Increase: Employee shall receive remainder of equity increase, the portion not implemented in year 1.

Y-Rating Pertaining to Comp Study Implementation:

Classifications determined to be “over market” pursuant to the January 1, 2026 comp study, “total compensation”, shall be Y-rated.

Example: Classification over market by 5.75%

- Year 1:
 - Employee receives 3% Off Salary Schedule Payment (OSSP) only.
- Year 2:
 - Employee is over market by 5.75%.
 - 2027 COLA is 3% so Y- rate reduced to 2.75% for subsequent year.
 - Employee receives no COLA.
 - Employee receives 3% OSSP only.
- Year 3:
 - Employee is over market by 2.75%.
 - 2028 COLA is 3%. Y- rate reduced to 0% for subsequent year.
 - Employee receives COLA of .25%.
 - Employee receives 2.75% OSSP.

*Note OSSP will be calculated based upon 1-year of employee’s base rate, no overtime.

For the pay period including January 1, 2029, all Y-rated Classifications will be re-evaluated to determine the applicability of their Y-rating. The Y-rating will be updated as applicable or removed if it is no longer appropriate.

Cost of Living Adjustments / Off Salary Schedule Payments (OSSP)

- Year 1:
 - All employees to receive a 3% one-time off-salary-schedule-payment (OSSP).

- Year 2:
 - 3% COLA

OR

- Classifications that received equity increases in 2025 due to the IBEW comp study shall receive a 2% COLA.
- Y-rated employees will receive combination of COLA/OSSP not to exceed 3%. (See illustration above)

- Year 3:
 - 3% COLA

OR

- Classifications that received equity increases in 2025 due to the IBEW comp study shall receive a 2% COLA.
- Y-rated employees will receive combination of COLA/OSSP not to exceed 3%. (See illustration above)
- For the pay period including January 1, 2029, all Y-rated Classifications will be re-evaluated to determine the applicability of their Y-rating. The Y-rating will be updated as applicable or removed if it is no longer appropriate.

1.2 For comparison purposes, the recognized survey cities are as follows:

Chico	Clovis	Davis	Fairfield	Merced	Manteca
Modesto	Redding	Roseville	Stockton	Tracy	Turlock
Vacaville	Visalia	Woodland			

The City agrees to complete a total compensation survey during the term of this Agreement for utilization during successor MOU negotiations.

PERS-Reportable Longevity Pay

Effective December 21, 2026, after completing ten (10) consecutive years of service with the City of Lodi, employees shall receive a longevity incentive equal to two and one-half percent (2.5%) of their base pay.

After completing twenty (20) consecutive years of service with the City of Lodi, employees shall receive a longevity incentive equal to five percent (5%) of their base pay.

The applicable longevity incentive shall become effective on, and coincide with, the employee’s anniversary date marking completion of the qualifying service period. For purposes of determining eligibility, employees must meet the required service threshold of ten (10) or twenty (20) full years of consecutive service with the City of Lodi, calculated based on the first day of the month in which employment commenced.

This payment is PERS-reportable, consistent with California Code of Regulations, Title 2, Section 571(a)(1), as it represents ongoing, percentage-based compensation tied to base salary. The applicable longevity percentage shall be incorporated into each eligible employee's base pay effective December 22, 2025.

ARTICLE II – HOURS

2.1 Normal Work Schedule.

Except as provided in subsequent sections, the normal hours of work for all represented employees shall be eight (8) hours per day and forty (40) hours per week. Alternate work schedules may include a 9/80 schedule consisting of nine (9) hours per day for eighty (80) hours in a fourteen (14) day period, or a 4/10 schedule consisting of ten (10) hours per day for forty (40) hours in a seven (7) day period. The lunch period shall normally commence between the third and fifth work hour at the discretion of the Supervisor.

2.2 FLSA Work Period Definitions.

To ensure clarity and to avoid unintended overtime obligations under the Fair Labor Standards Act (FLSA), the following FLSA work periods are hereby established for represented employees:

a. Employees assigned to a 5/8 schedule (Five 8-Hour Days).

For employees assigned to a standard 5/8 schedule, the FLSA work period shall be a fixed and reoccurring seven (7) day workweek beginning at 12:01 a.m. Sunday and ending at 12:00 midnight the following Saturday.

b. Employees assigned to a 4/10 schedule (Four 10-Hour Days).

For employees assigned to a 4/10 schedule, the FLSA work period shall be the same fixed and reoccurring seven (7) day workweek described in subsection (a). Overtime under the FLSA shall be measured against forty (40) hours worked within this seven (7) day work period.

c. Employees assigned to a 9/80 schedule.

To avoid unintended FLSA overtime liability associated with the 9/80 schedule, the FLSA work period for employees assigned to a 9/80 schedule shall be a fixed and reoccurring seven (7) day workweek beginning exactly four (4) hours after the start of the employee's regular eight-hour day on the mid-week "flex day."

- Hours worked in the first half of the flex day shall be assigned to the preceding FLSA workweek.
- Hours worked in the second half of the flex day shall be assigned to the new FLSA workweek.

This definition is intended to ensure that employees regularly assigned to a 9/80 schedule do not unintentionally exceed forty (40) hours in any FLSA workweek solely due to the structure of the schedule.

2.3 No Expansion of FLSA Obligations.

The establishment of these FLSA work periods is intended solely to clarify the City's overtime measurement obligations under the FLSA and to prevent unintended overtime liability. Nothing in this Section shall be interpreted to

expand the City's obligations under the FLSA or to modify contractual overtime provisions elsewhere in this Agreement.

- 2.4 Work schedules presently in effect shall remain in effect. Any change in work hours or workdays shall be a meet and confer item.
- a. Employees of the Library may work a schedule which includes split days off. The hours of work shall vary according to a pre-posted work schedule.
 - b. Parking Enforcement Assistants and Animal Control personnel shall work a schedule which may provide at least one person to work each Saturday.
 - c. Alternate work schedules may be developed by mutual agreement between the employee and the appropriate supervisor and the approval of Human Resources.

ARTICLE III – COMPENSATORY TIME

- 3.1 Employees may accrue compensatory time in lieu of overtime pay. The accrual rate for compensatory time shall be at the appropriate rate for overtime worked.
- 3.2 The decision to elect compensatory time or overtime pay may be made each time overtime is worked. An employee's decision to elect compensatory time instead of overtime pay is irrevocable.
- 3.3 No more than two hundred (200) hours of compensatory time may be carried on the books at any time.
- 3.4 Employee's may cash out any amount of the compensatory time at the employee's straight time hourly rate of pay each April, June, and October. A request to cash out leave must be in writing and submitted to the Finance Division.
- 3.5 To provide flexibility in managing time and income, employees may annually pre-schedule the cash-out of CTO. Each year, an irrevocable election form may be submitted to cash-cut CTO. The payout period shall occur in April, June, and October of each year.

Elections apply only to CTO earned in the following calendar year and must be submitted by December 31 of the preceding year, per Internal Revenue Service Regulations (26 CFR § 1.451-2) and Revenue Ruling 2009-31. Once submitted, CTO cash-out elections cannot be changed.

CTO cash-outs will be paid at the employee's regular rate in each April, June, and October payout periods, not to exceed the employee's available CTO balance at the time of the cash-out. HR will retain CTO cash-out election records for at least four (4) years. Employees who do not submit a CTO cash-out election form remain in the standard CTO program and may participate in future years.

- 3.6 Upon separation, the employee will be paid at the employee's current regular rate of pay or the average of the last three years, whichever is higher, for the remaining compensatory balance.

- 4.2 Employees who are required to report for prearranged work on their non-work days or holidays shall be compensated at the overtime rate for actual hours worked, but in no event shall they be paid for less than three (3) hours.

Compensation for the six (6) hour rest period shall be allowed at the straight time rate for those hours within the rest period which overlap the normal working hours.

- 4.4 When, at the request of the Supervisor in charge, an employee reports for prearranged overtime:

For the purpose of this Section, prearranged overtime work is deemed to be work for which advance notice has been given by the end of preceding work period on a work day.

4.5 The Animal Services Supervisor and Animal Services Officer serve on an on-call basis on a weekly basis and shall be compensated \$250 per week for weeks they serve on-call.

4.6 Call Out Pay:

- a. The employees called out shall be paid at the rate of one and one half (1½) times the straight time rate of pay for time worked on emergency calls before 12:00 a.m. Time worked between 12:00 a.m. and 6:00 a.m., or in excess of twelve (12) consecutive hours between 12:00 a.m. and 12:00 a.m. on any given day, shall be paid at double time.

For each year that an employee has been employed by the City in excess of ten (10) years, the employee shall be entitled to add 2.5% to the 50% before converting the unused sick leave to months of insurance.

EXAMPLE

$$1800 \div 75 \times 75\% \div 12 = 14.06 \text{ years of coverage}$$

The amount of the premium paid shall be the same as the premium paid by the City at the time of retirement subject to the cap shown in Article XXI. Any differences created by an increase in premiums must be paid for by the employee.

In the event the retiree dies the surviving dependent(s) may purchase medical insurance for the same period as if the employee had not died.

Option #2 – Bank

50% of the dollar value of sick leave will be placed into a bank to be used for medical insurance premiums for the employee and dependent(s). For each year that an employee has been employed in excess of 10 years, 2.5% will be added to the 50% before valuing the size of the bank. Each hour of sick leave is valued at \$20.00.

EXAMPLE

Robert Smith retires with 20 years of service and 1800 hours of unused sick leave (multiplication factor - \$20.00).

$$1800 \times 75\% \times 20.00 = \$27,000.00$$

This amount will be reduced each month by the current premium for the employee and dependent(s) until the balance is gone.

In the event the retiree dies, the remaining bank will be reduced by 50% and the surviving dependent(s) may use the bank until the balance is gone.

- 31.2 In the event an active employee dies before retirement and that employee is vested in the sick leave conversion program, the surviving spouse will have an interest in one-half the value of the Bank option as calculated in section 30.1.
- 31.3 Employees selecting option #1 or #2, who retire on a service retirement shall have the option of purchasing at the employee's cost additional medical insurance sufficient to reach age 65.
- 31.4 Out of area retirees may receive reimbursement for medical insurance premiums up to the City's liability as specified in Section 30.1 of this Article.

Option #3 – PERS Credit

- 31.5 Per the California Government Code, employees may receive credit for unused sick leave. It is agreed that eight (8) hours equals one (1) day for purposes of determining days creditable, per Government Code Section 20965.
- 31.6 Employees hired after July 1, 1995 will not have the option of converting sick leave time into medical insurance premiums as referenced in options 1-2. The only option available to these employees is Option #3, PERS credit.

To insure that the arbitration process is as brief and economical as possible, the following guide lines shall be adhered to:

- a. An arbitrator may, upon mutual consent of the parties, issue a decision, opinion or award orally upon submission of the arbitration.
- b. Both parties and the arbitrator may tape record the hearing.
- c. There shall be no official transcript required; however, either party may utilize a court reporter at its own sole expense. The cost of a court reporter required by an arbitrator shall be shared equally by the parties.
- d. The parties may agree to prepare a joint letter submitting the issue in dispute. The letter shall present the matter on which arbitration is sought and shall outline the MOU provisions governing the arbitration. It may contain mutually agreed on stipulations of fact and it may be accompanied by any documents that the parties mutually agree shall be submitted to the arbitrator in advance of the hearing which may not necessarily be stipulations of fact. Further, if the parties mutually agree, the entire matter may be submitted to arbitration for review without a hearing. Absent agreement to prepare a joint letter, the parties may submit separate letters.
- e. The strict rules of evidence are not applicable and the hearing shall be informal.
- f. The parties have the right to present and cross examine witnesses, issue opening and closing statements, and file written closing briefs. Testimony shall be under oath or affirmation.

- g. The arbitrator may exclude testimony or evidence which he/she determines irrelevant or unduly repetitious.
- h. Attendance at a hearing shall be limited to those determined by the arbitrator to have a direct connection with the appeal. Witnesses normally would be present at the hearing only while testifying and should be permitted to testify only in the presence of the employee or his/her representative and the employer's representative.
- i. The arbitration hearing will be held on the employer's premises.
- j. The cost of arbitration shall be borne equally by the parties. However, the cost, if any, of cancellation or postponement shall be the financial responsibility of the party requesting such delay unless mutually agreed by the parties.

The decision, opinion, or award shall be based on the record developed by the parties before and during the hearing. The decision will be in writing and shall contain the crucial reasons supporting the decision and award.

The arbitrator has no power to add to, subtract from, or modify the terms of the MOU or the written ordinances, resolutions, rules, regulations and procedures of the City, nor shall he/she impose any limitations or obligations not specifically provided for under the terms of the MOU. The arbitrator shall be without power or authority to make any decision that requires the City or management to do an act prohibited by law. The arbitrator has no power to add to a disciplinary action.

- 37.7 Failure by either party to meet any of the aforementioned time limits as set forth in Sections 35.3, 35.4, 35.5, or 35.6 shall result in forfeiture by the failing party. Except, however, that the aforementioned time limits may be extended by mutual agreement. Grievances settled by forfeiture shall not bind either party to an interpretation of this MOU, nor shall such settlements be cited by either party as evidence in the settlement of subsequent grievances.
- 37.8 An employee may represent himself/herself at any step of the Grievance Procedure up to Step 3.
- 37.9 Only AFSCME may appeal a grievance to arbitration.

ARTICLE XXXVIII – MUTUAL CONSENT CONTINGENCY

- 38.1 This MOU may be amended any time during its life upon the mutual consent of the City and AFSCME. Such amendment must be in writing and attached to all executed copies of this MOU.

ARTICLE XXXIX – NO STRIKES

- 39.1 The represented employees agree that they shall not strike, withhold services, engage in "slowdowns" or "sick-ins" or participate in any other concerted activity, including sympathy strikes, which adversely affects job performance or City services during the term of this MOU.

ARTICLE XL – PROBATIONARY PERIOD

- 40.1 All appointments to positions in the classified service shall be subject to a probationary period of twelve (12) continuous months of service, or 2,080 hours of actual and continuous service. The probationary period shall be regarded as an integral part of the examination process and shall be used to closely observe the employee's work for securing the most effective adjustment of an employee to his/her new duties, assignments and responsibilities in his/her new position and for rejecting any probationary employee whose performance does not meet required work standards. If the service of the employee is deemed to be unsatisfactory, the employee shall be notified that he/she has not satisfactorily completed probation.
- 40.2 During the probationary period, all new hires shall have the rights and privileges afforded to other employees, except:
- a. Vacation Leave – See Article XX for vacation schedule.
 - b. The use of the Grievance Procedure to grieve termination.
 - c. The City and the employee may mutually agree to extend the probationary period in increments up to six (6) months. The total extended probationary period shall not exceed twelve (12) months. AFSCME must be notified of all extensions by Human Resources.
- 40.3 In the event an employee is promoted and is rejected by the appropriate department head, he or she shall be reinstated to the position from which he/she was promoted. The seniority and status of a rejected candidate shall continue as before.

ARTICLE XLI – PROMOTION

- 41.1 The City and AFSCME mutually agree it is good personnel practice to make every effort to promote from within consistent with the best interests of the City.

ARTICLE XLII - SENIORITY

- 42.1 Seniority is defined as the total length of continuous service with the City. Continuity of service shall not be broken and seniority shall accrue when an employee is:
- a. Inducted, enlists, or is called to active duty in the Armed Forces of the United States or service in the Merchant Marine under any Act of Congress which provides that the employee is entitled to re-employment rights.
 - b. On duty with the National Guard.
 - c. Is absent due to industrial disability.
 - d. On leave of absence.
 - e. Absent due to layoff for a period of less than twelve (12) consecutive months.

ARTICLE XLIII – SHOP STEWARDS

43.1 AFSCME agrees to notify the City in writing as to the appointment of all shop stewards. Shop stewards shall be required to work full time in their respective classifications and shall not interrupt the work of other employees. A steward may, with reasonable notice and approval of his or her supervisor, leave the job during working hours for reasonable periods to investigate pending grievances and to take part in the Grievance Procedure. However, no steward shall leave the job while his presence is necessary in the judgment of his/her supervisor for the safe conduct and efficiency of the operations in which he/she is engaged.

ARTICLE XLIV – STATUS

44.1 Employees shall be designated as regular or probationary.

- a. A regular employee is defined as an employee who has twelve (12) months or more service with the City in full time employment, except as provided for in the Rules for Personnel Administration, Article X (Probationary Period).
- b. A probationary employee is defined as an employee hired for a full-time position that has been regularly established as an authorized position and is of indeterminate duration. A probationary employee shall receive not less than the minimum rate for the job and shall be eligible for sick leave pay, vacation pay, holiday pay, retirement plan participation, insurance coverage and items of a similar nature, as he/she becomes eligible, but shall not be given preferential consideration for promotion or transfer or be eligible for a leave of absence. Upon completion of twelve (12) month of continuous full-time service with the City, and satisfactory performance, a probationary employee shall be given the status of a regular employee.

ARTICLE XLV – TERM

45.1 The terms and conditions of this MOU shall continue in effect until such time as they are superseded by a signed agreement/MOU between the City of Lodi and AFSCME. The parties agree as follows:

TERM: Covering the period from January 1, 2026 through December 31, 2028.

ARTICLE XLVI - SEVERABILITY

In the event that any provision of this MOU is found by a court of competent jurisdiction to be invalid, all other provisions shall be severable and shall continue in full force and effect. “The parties shall, upon request of either party, meet and confer regarding a replacement provision.”

TO EFFECTUATE THIS MOU, the parties have caused their duly authorized representatives to execute this MOU as of the date first written above.
