
ORDINANCE NO. ____

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF
LODI AMENDING CHAPTER 9.18 - VENDING ON STREETS,
SIDEWALKS AND PRIVATE PROPERTY OF THE LODI
MUNICIPOAL CODE

=====

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF LODI AS FOLLOWS:

**Section 1. Chapter 9.18 – VENDING ON STREETS, SIDEWALKS AND PRIVATE
PROPERTY of the Lodi Municipal Code is hereby amended to read as follows:**

CHAPTER 9.18 - VENDING ON STREETS, SIDEWALKS AND PRIVATE PROPERTY

9.18.010 Declaration of purpose.

The city council expressly finds that the vending of produce and prepared or prepackaged foods, goods, wares, and/or services on public streets, sidewalks, or alleys and on private property pose unsafe conditions and special dangers to the public health, safety, and welfare of the residents of the city of Lodi. It is the purpose and intent of the city council, in enacting this chapter, to provide those persons who engage in those types of vending operations with clear and concise regulations to prevent safety, traffic, and health hazards, as well as to preserve the peace, safety, and welfare of the community.

9.18.020 Definitions.

- A. "Business owner" shall mean any person, firm, or corporation, which owns or controls any interest in any business engaged in vending as defined in Subsection J hereof.
- B. "Commissary" shall mean a food establishment in which food, containers, equipment, or supplies are stored or handled for use in motorized food wagons or conveyance.
- C. "Conveyance," as used in this chapter, means any vehicle (except motorized food wagons, as defined below), trailer, cart, wagon, or stand, with or without wheels, which may be moved from one place to another under its own power or by other means.
- D. "Linear frontage" is the method used to determine distances as used in this chapter.
- E. "Mobile food vendor" shall mean any person as defined in this chapter, who owns, controls, manages, and/or leases a motorized food wagon, conveyance or produce/seafood truck; and/or contracts with a person(s) to drive, operate, prepare foods, and/or vend from a motorized food wagon, conveyance or produce/seafood truck.
- F. "Motorized food wagon" shall mean any vehicle as defined in Section 670 of the California Vehicle Code, which is equipped and used for retail sales of prepared, prepackaged, or unprepared, unpackaged food or foodstuffs of any kind on any public street, alley, highway, or private street, alley, or property within the city of Lodi, including a produce/seafood truck (as defined below) and a motorized food production unit (as defined below). For the purposes of this chapter, a motorized food wagon shall also include any trailer or wagon pulled by a vehicle.

-
- G. "Motorized food preparation unit" means any vehicle or trailer and vehicle combination as defined in Section 670 of the California Vehicle Code which is equipped to:
1. Prepare and sell; or
 2. Cook and sell food products.
- H. "Persons" shall mean any person, firm, partnership, association, or corporation, and includes, but is not limited to, owners, operators, drivers, lessors, and lessees of motorized food wagons and conveyances.
- I. "Produce/seafood truck" means any vehicle as defined by Section 670 of the California Vehicle Code which sells raw produce or seafood
- J. "Vend" or "vending" shall mean the sale of any goods, wares, merchandise, prepared, prepackaged, or unprepared, unpackaged food or foodstuffs of any kind from private or public property.
1. Vending from a motorized food wagon generally has the following characteristics:
 - a. Food is ordered and served from a take-out counter that is integral to the motorized food wagon and there is typically a space for customer queuing;
 - b. Food is paid for prior to consumption;
 - c. Food and beverages are served in disposable wrappers, plates, or containers; and
 - d. Food and beverages are prepared and sold for offsite consumption.
 2. Vending from a conveyance generally has the following characteristics:
 - a. Food is paid for prior to consumption;
 - b. Food and beverages are served in disposable wrappers, plates, or containers; and
 - c. Food and beverages are prepared and sold for offsite consumption.
 3. Vending from a produce/seafood truck generally has the following characteristics:
 - a. Food is paid for prior to consumption; and
 - b. Food is sold for offsite consumption and/or preparation.
- K. "Vendor"/"operator" shall mean any person who sells and makes immediate delivery, or offers for sale and immediate delivery, any goods, wares, or merchandise, or drives, operates, vends, and/or prepares food on or from a motorized food wagon or conveyance.

9.18.030 Regulation of sales.

It shall be unlawful for any person to vend, or attempt to engage in vending or operate any vehicle or conduct any business for the purpose of vending from any vehicle, motorized food wagon or conveyance parked, stopped, or standing upon any public street, alley, highway, or property, or private street, alley, or property within the city of Lodi except in accordance with all applicable provisions of this code.

9.18.040 Permit to operate.

A person desiring to engage in a vending operation, as defined by this chapter, shall submit a written application for a permit to operate to the city manager or designee in a form acceptable to and with all supporting information required by the city of Lodi. Such application shall be accompanied by a nonrefundable, nontransferable application fee in an amount as may be

established from time to time by resolution of the city council. Any such permit shall be required to be renewed annually and a separate nonrefundable, nontransferable application fee shall be paid annually for such renewal application. Vendors must have the permit in their possession when vending. There must be at least one vendor with a valid permit present whenever vending is taking place.

- A. A vendor must obtain a background check in accordance with the requirements of Section 9.16.030 of this code.
- B. Every vendor shall obtain a city of Lodi business **license**.
- C. As part of the permit to operate application, the vendor or business owner shall provide the following:
 - 1. Proof of current vehicle registration and a copy of an applicable vehicle insurance policy for any vehicles used in the vending activity.
 - 2. Four photographs (showing different exterior views) of each motorized food wagon or conveyance.
 - 3. A copy of a current San Joaquin County Environmental Health permit for any motorized food wagon.
 - 4. A copy of the vendor or business owner's current business **license** and applicable board of equalization seller's permit.
 - 5. Vendor or business owner must show proof of payment to a commissary for the prior twelve months for all cases involving the reissuance of a permit; and proof of current payment for new vendors.
 - 6. If the vendor is operating on private property, the business owner shall provide the following:
 - a. An affidavit in a form approved by the city from the property owner (if other than self) permitting the vendor to locate on the site;
 - b. A site plan, drawn to scale and with dimensions, indicating the location of all existing buildings, structures, driveways, parking spaces, traffic controls, and improvements, and the location or areas where the proposed vending activity, structures, and improvements related to the vending activity will be located upon the site; and
 - c. An affidavit from the business or location providing the required restroom facilities for food service workers, stating the hours that those facilities are being made available to the mobile food vendor.
- D. The following may constitute grounds for denial of an application for a permit to operate:
 - 1. The vending operation or activity as proposed by the applicant does not comply with all applicable laws including, but not limited to, the applicable building, zoning, housing, fire, safety, and health regulations under state law and this code;
 - 2. The applicant is unable to obtain the required peddler's license, pursuant to LMC Section 9.16.030 due to a criminal background check;
 - 3. The applicant has, within three years immediately preceding the date of filing of the application, had a permit to operate, peddler's license, or related permit, which was issued within the State of California, suspended or revoked;

-
4. The applicant has knowingly made a material misstatement in the application for a permit to operate;
 5. There have been excessive calls for service to the Lodi Police Department within the twelve months preceding the application with inadequate response by the vendor or business owners or operators, involving the commission of crimes, disturbances, public nuisances, or applicable LMC violation investigations, which are located, committed, or generated on the premises of the vending operation.
 6. Failure to obtain clearance from San Joaquin County Environmental Health for operation of a motorized food wagon or conveyance.
- E. As an alternative to a denial of an application for a permit to operate for failure to meet the requirements of this chapter, the city manager or designee may issue a conditional permit to operate. Said conditional permit to operate shall be issued with conditions imposed on the operation of the premises. All conditions shall be complied with in order to maintain the conditional permit to operate in a valid status. Failure to comply with the imposed conditions will subject the conditional permit to operate to suspension and/or revocation procedures under this chapter or any other remedy authorized by law.

9.18.050 Location.

- A. Subject to the exemptions set forth in Section 9.18.060, a vendor may locate and operate in the public right-of-way subject to the following conditions:
1. A vendor shall not operate within three hundred feet of any school grounds, park, playground, or city operated recreation center.
 2. A vendor shall not operate within one hundred feet of any street intersection.
 3. Downtown Mixed Use (DMU) Zone Restriction.
 - a. Within the Downtown Mixed Use (DMU) zoning district, mobile food vendors shall be prohibited west of the Union Pacific Railroad tracks.
 - b. Mobile food vendors may operate east of the railroad tracks within the DMU zone, subject to all other provisions of this chapter.
 3. In addition to the above, a vendor must comply with the following regulations, depending upon the type of use in which it is located:
 - a. Residential Use Area:

A vendor shall not ~~operate~~ establish a stationary vending location directly adjacent to any single-family residential dwelling, except as otherwise permitted under an approved special event permit.

Vendors may operate within areas containing multifamily residential uses, subject to the following restrictions:

- i. A vendor shall move not less than four hundred feet at least every ten minutes and may not return to a previous location or within four hundred feet of a previous location on the same calendar day.
- ii. Permitted hours of operation are from 7:00 a.m. to 8:00 p.m.

-
- iii. A vendor may not be located within four hundred feet of another vendor.
 - iv. Vendors shall not obstruct driveways, fire lanes, sidewalks, pedestrian access, or required parking areas serving residential uses.
 - v. No amplified sound, music, or generator noise audible beyond fifty feet from the vendor vehicle shall be permitted in residential use areas.
- b. Commercial Use Area:
- i. In a commercial use area, a vendor may remain at any one location for no more than three hours. Upon relocating, the vendor shall move at least four hundred feet from the previous location and shall not return to that location, or within four hundred feet of that location, during the same calendar day.
 - ii. Permitted hours of operation are from 6:00 a.m. to 12:00 a.m.
 - iii. If a vendor is located in a commercial use area and is within four hundred feet of a residence, vendor shall comply with the requirements listed above for residential use area.
 - iv. If a vendor located within four hundred feet of a residential zone, vendors shall comply with reduced hours of operation from 7:00 a.m. to 9:00 p.m. and shall not generate noise or activity that unreasonably impacts adjacent residential uses.
- c. Industrial Use Area:
- i. In an industrial use area, a vendor may operate from 5:00 a.m. to 12:00 a.m..
 - ii. If a vendor is located in an industrial use area and is also within four hundred feet of a residence, it shall comply with the requirements listed above for residential use area.
 - iii. If a vendor is located within four hundred feet of a residential zone, vendors shall comply with reduced hours of operation from 7:00 a.m. to 9:00 p.m.
4. No vendor shall be located or maintained on public property, including bicycle pathways, inconsistent with any provision of this code.
- B. A vendor may locate on private property subject to the following conditions:
- 1. Incidental to a primary use with the primary use having a valid city of Lodi business license;
 - 2. A vendor shall not be the primary use of a parcel unless the parcel is developed in accordance with the standards of the city's Development Code for that use and the zoning designation for the parcel.
 - 3. A vendor shall not be permitted as an accessory use to a stand-alone parking lot.
 - 4. A vendor cannot utilize, or be located on, parking spaces required for the primary use on the parcel.
 - 5. A vendor cannot be located on a vacant, undeveloped parcel or lot.
 - 6. A vendor must be located on a paved concrete or asphalt parking surface.
 - 7. A vendor cannot interfere with access, aisles, circulation, driveways, or fire lanes and hydrants.

-
8. A vendor cannot interfere with pedestrian movement or create a pedestrian hazard.
 9. Vending on private property within two hundred feet of a residential zone is permitted only through the provisions of a conditional permit to operate. Conditions will not be imposed in a manner that unreasonably prevents mobile food vendors from operating solely because they are within two hundred feet of a residential zone.
 10. Residential Interface Standard.

A vendor shall not be located on private property directly adjacent to a parcel containing a single-family residential use.

Vendors located on private property adjacent to multifamily residential uses shall comply with the following standards:

- a. The vendor shall be located a minimum of one hundred fifty feet from any multifamily residential structure; and
- b. Operations shall not include amplified sound, music, or outdoor customer queuing areas oriented toward residential uses; and
- c. Hours of operation shall be limited to 7:00 a.m. to 9:00 p.m.; and
- d. The vendor shall not interfere with residential access, parking, pedestrian circulation, or create noise, lighting, or litter impacts unreasonably affecting nearby residents.

9.18.055 Operational Standards.

- A. No vendor shall operate in a manner that creates a public nuisance, including excessive noise, traffic congestion, litter, or obstruction of pedestrian or vehicular circulation.
- B. No vendor shall operate within the frontage of a single-family residential dwelling or conduct stationary sales within a residential neighborhood. Vendors operating in areas containing multifamily residential uses shall comply with all applicable residential operational standards set forth in this chapter.
- C. No vendor shall utilize amplified sound, generators, or music that is audible beyond one hundred feet from the vehicle.
- D. Customer queuing areas shall not obstruct sidewalks, drive aisles, or ADA access.
- E. The city manager or designee may impose reasonable conditions on operations to address site-specific impacts.

9.18.060 Exemption.

- A. Any person engaged in vending conducted in connection with the operations of a state-certified open-air market or an authorized street fair or event under a special event permit, lease, real property license, agreement, or other entitlements issued by the city of Lodi.
- B. Any person delivering any goods by vehicle where such goods have been ordered in advance for such delivery from any business located at a permanent location and which goods are being delivered from such location to the customer by vehicle, regardless of the point of sale.

-
- C. This chapter shall not apply to the sale or distribution of any newspaper, flier, or handbill.

9.18.070 Application of other laws and regulations.

- A. The provisions of this chapter prohibiting the stopping or parking of a vehicle shall apply at all times or at those times specified by this chapter, except when it is necessary to stop a vehicle to avoid conflict with other traffic or in compliance with the directions of a police officer or official traffic control device.
- B. The provisions of this chapter imposing a time limit on stopping or parking shall not relieve any person from the duty to observe other more restrictive provisions of the California Vehicle Code, this code or any other ordinances of the city, prohibiting or limiting the stopping or parking of vehicles in specified places or at specified times.

9.18.080 Condition/appearance of vending site.

- A. The vending site shall be maintained in a safe and clean manner at all times.
- B. No tables, chairs, fences, shade structures, or other site furniture, (permanent or otherwise) or any freestanding signs shall be permitted in conjunction with the vendor, except as permitted under the conditional permit to operate provisions of Subsection 9.18.040(E).
- C. Should any other site improvements be needed for ongoing vending operations, the vendor shall be required to apply for appropriate permits to ensure building and public safety and consistency with applicable building and zoning regulations.
- D. Exterior storage or display of refuse, equipment, materials, goods, wares, or merchandise associated with the vendor is prohibited.

9.18.090 Condition/appearance of motorized food wagon or conveyance.

- A. The vendor shall display, in plain view and at all times, current permits and licenses in or on their vehicle.
- B. Any motorized food wagon or conveyance used in the course of vending shall be entirely self-sufficient in regards to gas, water, and telecommunications.

Should any utility hook-ups or connections to onsite utilities be required, the vendor shall be required to apply for appropriate permits to ensure building and public safety and consistency with applicable building and zoning regulations.

- C. The vendor shall not discharge items from any motorized food wagon or conveyance vehicle onto the sidewalk, gutter, storm inlets, or streets.

9.18.100 Lighting.

The vendor shall install adequate lighting to ensure customer safety. Lighting shall be directed downwards and away from public streets and adjacent properties.

9.18.110 Sanitation.

- A. All motorized food wagons or conveyances shall operate out of a commissary pursuant to California Health and Safety Code Section 114287.

-
- B. All motorized food wagons or conveyances shall be equipped with refuse containers large enough to contain all refuse generated by the operation of such a vehicle, and the vendor of the motorized food wagon or conveyance shall pick up all refuse generated by such operation within a twenty-five-foot radius of the vehicle before such vehicle is moved. No vendor shall dispose of any trash or refuse in any such public or private trash receptacle other than a trash receptacle owned, operated, or otherwise provided by and under the control of such vendor.
 - C. A motorized food wagon or conveyance shall comply with California Health and Safety Code Section 114299.5 regarding the availability of adequate toilet facilities for use by food service personnel.

9.18.120 Safety and security.

- A. No vending shall be permitted except after the motorized food wagon or conveyance has been brought to a complete stop and parked in a lawful manner.
- B. The vendor shall install signage in a visible location indicating that loitering is not permitted and customers may only remain on the lot for up to fifteen minutes after receiving their food.
- C. The vendor shall enforce the no loitering provisions of this code.

9.18.130 Applicability of regulations to existing business.

The provisions of this chapter shall be applicable to all persons and businesses described herein whether the herein described activities were established before or after the effective date of the ordinance enacting this chapter into law.

9.18.140 Penalties.

Any person violating any provisions or failing to comply with any of the mandatory requirements of this chapter is subject to the following penalties:

- A. Fines.
 - 1. Violations are subject to the administrative enforcement provisions of this code and the fines established in LMC Section 1.10.260;
 - 2. Three or more violations of this chapter during any one-year period shall be deemed misdemeanors, punishable as specified in Subsection 1.08.010(B) of this code.
- B. Suspension/Revocation of Permit to Operate/Conditional Permit to Operate.
 - 1. Procedure. In the event of a violation of the regulations of this chapter, the city manager or designee shall issue a notice of intent to suspend or revoke the permit to operate. The vendor shall have the right to request a hearing, as provided in LMC Chapter 1.10, within ten days of service of the notice of intent. If no hearing is requested, the permit to operate shall be revoked or suspended upon the expiration of the appeal period set forth in LMC Chapter 1.10.
 - 2. Basis for Suspension/Revocation of Permit to Operate:
 - a. Any permit to operate may be suspended and/or revoked by the city manager or designee after a review, where it is determined that:

-
- i. The vendor has violated the provisions of this chapter; or
 - ii. The vendor has committed any act or engaged in action, which would constitute grounds for denial of a permit to operate pursuant to Subsection 9.18.040(D) of this chapter; or
 - iii. The vendor has engaged in fraud, misrepresentation, or false statements in conducting the vending operation or activity; or
 - iv. The vendor has failed to correct a violation under this chapter within the time period ordered by the city; or
 - v. The vendor has operated or continued to operate without a permit to operate or after a permit to operate has been suspended or revoked.
3. Basis for Suspension/Revocation of a Conditional Permit to Operate:
- a. Any conditional permit to operate may be suspended or revoked for:
 - i. Any of the basis to suspend or revoke a permit to operate set forth herein; or
 - ii. Any violation of the terms of the conditional permit to operate.
-

9.18.150 Enforcement.

The provisions of this chapter may be enforced by any peace officer, or the code enforcement division of the city police department.

Section 2. No Mandatory Duty of Care. This ordinance is not intended to and shall not be construed or given effect in a manner which imposes upon the City, or any officer or employee thereof, a mandatory duty of care towards persons or property within the City or outside of the City so as to provide a basis of civil liability for damages, except as otherwise imposed by law.

Section 3. Severability. If any provision of this ordinance or the application thereof to any person or circumstances is held invalid, such invalidity shall not affect other provisions or applications of the ordinance which can be given effect without the invalid provision or application. To this end, the provisions of this ordinance are severable. The City Council hereby declares that it would have adopted this ordinance irrespective of the invalidity of any particular portion thereof.

Section 4. No Conflicts. All ordinances and parts of ordinances in conflict herewith are repealed insofar as such conflict may exist.

Section 5. Effective Date and Publication. This Ordinance shall take effect thirty (30) days after its adoption. In lieu of publication of the full text of the Ordinance within fifteen (15) days after its passage, a summary of the Ordinance may be published at least five (5) days prior to and fifteen (15) days after adoption by the City Council, and a certified copy shall be posted in the office of the City Clerk pursuant to Government Code section 36933(c)(1).
