2. **Automobile Liability:** ISO Form Number CA 00 01 covering any auto or if Contractor has no owned autos, then hired, and non-owned autos with limit no less than **\$1,000,000** per accident for bodily injury and property damage.

- (d) **Severability of Interest Clause**

 - (e) **Notice of Cancellation or Change in Coverage Endorsement**
This policy may not be canceled nor the coverage reduced by the company without 30 days' prior written notice of such cancellation or reduction in coverage to the Risk Manager, City of Lodi, 221 West Pine St., Lodi, CA 95240.

- (f) Continuity of Coverage
All policies shall be in effect on or before the first day of the Term of this Agreement. At least thirty (30) days prior to the expiration of each insurance policy, Contractor shall furnish a certificate(s) showing that a new or extended policy has been obtained which meets the minimum requirements of this Agreement. Contractor shall provide proof of continuing insurance on at least an annual basis during the Term. If Contractor's insurance lapses or is discontinued for any reason, Contractor shall immediately notify the City and immediately obtain replacement insurance. Contractor agrees and stipulates that any insurance coverage provided to the City of Lodi shall provide for a claims period following termination of coverage which is at least consistent with the claims period or statutes of limitations found in the California Tort Claims Act (California Government Code Section 810 et seq.).
- (g) Failure to Comply
If Contractor fails or refuses to obtain and maintain the required insurance, or fails to provide proof of coverage, the City may obtain the insurance. Contractor shall reimburse the City for premiums paid, with interest on the premium paid by the City at the maximum allowable legal rate then in effect in California. The City shall notify Contractor of such payment of premiums within thirty (30) days of payment stating the amount paid, the name(s) of the insurer(s), and rate of interest. Contractor shall pay such reimbursement and interest on the first (1st) day of the month following the City's notice. Notwithstanding any other provision of this Agreement, if Contractor fails or refuses to obtain or maintain insurance as required by this agreement, or fails to provide proof of insurance, the City may terminate this Agreement upon such breach. Upon such termination, Contractor shall immediately cease use of the Site or facilities and commence and diligently pursue the removal of any and all of its personal property from the site or facilities.
- (h) Verification of Coverage
Consultant shall furnish the City with a copy of the policy declaration and endorsement page(s), original certificates and amendatory endorsements or copies of the applicable policy language effecting coverage required by this clause. All certificates and endorsements are to be received and approved by the City before work commences. However, failure to obtain the required documents prior to the work beginning shall not waive the Consultant's obligation to provide them. The City reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time. **Failure to exercise this right shall not constitute a waiver of the City's right to exercise after the effective date.**
- (i) Self-Insured Retentions
Self-insured retentions must be declared to and approved by the City. The City may require the Consultant to provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention. The policy language shall provide, or be endorsed to provide, that the self-insured retention may be satisfied by either the named insured or City.
- (j) Insurance Limits
The limits of insurance described herein shall not limit the liability of the Contractor and Contractor's officers, employees, agents, representatives or subcontractors. Contractor's obligation to defend, indemnify and hold the City and its officers, officials, employees, agents and volunteers harmless under the provisions of this paragraph is not limited to or restricted by any requirement in the Agreement for Contractor to procure and maintain a policy of insurance.
- (k) Subcontractors
Consultant shall require and verify that all subcontractors maintain insurance meeting all the requirements stated herein, and Consultant shall ensure that City is an additional insured on insurance required from subcontractors
- (l) Qualified Insurer(s)
