MEMORANDUM

TO: **Tarra Sumner, Revenue Manager**

FROM: **Melissa Price, Assistant Electric Utility Director**

DATE: **May 22, 2026**

SUBJECT: **Utility Billing Write Offs**

Lodi Electric Utility (LEU) requests that the list of utility billing write-offs provided by Finance on May 18, 2026, a summary of which is provided below, be charged off as uncollectible accounts.

Row Labels	Sum of Write-off Amount
50000000-57701-	$77.00
50000000-58800-	$1,600,776.29
50000000-58801-	$6,085.95
50000000-58806-	$13,320.63
50000000-58807-	$2,466.09
50000000-59533-	$75.00
50000000-59598-	$4,577.34
500-20022-	$61.99
Grand Total	**$1,627,440.29**

In response to an inquiry from LEU regarding collection of bad debt from customers who may have other active accounts and the transfer of bad debt to those accounts, Ms. Sumner states:

1. *"We do not transfer balances for businesses or landlords. Doing so creates accounting issues for their records and should not occur.*

2. *We do make collection efforts by contacting customers, issuing 30-day notices, and referring unpaid balances to collections. Despite these efforts, some properties still remain unpaid. To address this, we have recently begun enforcing a policy requiring all outstanding balances to be paid in full before any new services can be established for these properties. In addition, deposits are now required for each new property account until a positive payment history with the City is established. This will ensure we are not being left with a balance.*

Also, to note, Evelyn and Kevin have been discussing SNPing Home Meter accounts for some of these properties to get them to call/pay. They are working on getting a meeting together so we all can discuss a good process."

Should you have any questions regarding this request, please contact Melissa Price at extension 6811.
