

CERTIFICATE OF RECOGNITION

presented to:

Visit Lodi Conference & Visitors Bureau America's Favorite Small Town

On behalf of the Lodi City Council, we commend Visit Lodi Conference & Visitors Bureau on Lodi's designation as America's Favorite Small Town 2026.

Earlier this year, Visit Lodi introduced residents and visitors to a national contest that turned into a true community-wide effort. Through Visit Lodi's leadership, residents voted daily, businesses posted reminders, hospitality partners encouraged guests, friends and families shared the voting link, coworkers reminded one another, and people wore stickers, displayed flyers, and kept the momentum going.

Because of this collective effort, Lodi was named America's Favorite Small Town by Parade and Steller.

Working humbly behind the scenes, Visit Lodi united our community around a common goal, and that perseverance earned our city this prestigious national recognition.

To the team at Visit Lodi, we thank you for your unwavering dedication to our community and for the pride you inspire in all of us. We are grateful for your leadership and for everyone who supported this effort by casting their votes. This achievement shines a national spotlight on Lodi and will have a lasting, positive impact on our entire community.

SIGNED this 5th day of August, 2026
