

MEMORANDUM

TO: Christina Jaromay for Finance
Tarra Sumner, Revenue Manager
Chia Lor, Accounting Manager
FROM: Jeff Berkheimer, Electric Utility Director
DATE: November 18, 2025
SUBJECT: Utility Billing Write Offs – Fiscal Year 2026

Lodi Electric Utility (LEU) requests that the list of utility billing write-offs provided by Finance on November 18, 2025, a summary of which is provided below, be charged off as uncollectible accounts.

Table with 2 columns: Row Labels, Sum of Unpaid Balance. Includes rows for account numbers and a Grand Total of 810949.38.

Tarra Sumner, Revenue Manager, has confirmed that every collection effort has been made, and no further collection is foreseen. In response to an inquiry from LEU regarding collection of bad debt from customers who may have opened new accounts, Ms. Sumner states:

“CSRs are required to research prior services before initiating new accounts. This includes checking by name, Social Security number, and driver’s license number. If any prior balances are not identified during this process, I perform an additional review when accounts are sent to collections. This review includes searching by SSN, name, and driver’s license number for each customer on the account. Any outstanding amounts identified are then transferred to the new account. These steps ensure that we exercise due diligence in capturing any existing balances before starting or after new services are implemented. We do our due diligence to confirm that they do not have other accounts before sending them to collections.”

LEU also confirmed with Chia Lor, Accounting Manager, that this write off will impact Account No. 50060001.72310. Accounting has confirmed an appropriation will be requested from City Council on behalf of LEU as part of this write off request.

Should you have any questions regarding this request, please contact Melissa Price at extension 6811.
